Presentations in Conferences

Title	organizer	Conference title	Date and place
Psychological implications of torture and imprisonment among Palestinian Political Prisoners	Arab psychological Association in Israel	Second scientific conference for Arab Psychologist in Israel	January 2005 Nazareth- Israel
Impact of wall building and family reunification prevention in East Jerusalem residents	International Organization of Migration	Healing the War	June 2006, Rome Italy
The role of organizations in qualifying new graduate students to become mental health professionals	Palistinian Counseling Center & Ber-Zuit University	Mental health services in Palestine: reality and challenges	February 2007, Ramalla- Palestine

Visual impairment

When I was 10 years old my vision became worse due to genetic disease that impairs the vision acuteness. In spite of this disability I learned in regular school, and I read using Close Cycle T.V and magnifiers.
